**Dear Sir or Madam:**

This letter is in response to your request for affirmation of your organization's exempt status.

In July 1993 we issued a determination letter that recognized your organization as exempt from federal income tax under section 501(c)(4) of the Internal Revenue Code. That letter is still in effect.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$200 or more paid to each employee during a calendar year. Your organization is also liable for tax under the Federal Unemployment Tax Act for each employee to whom it pays \$50 or more during a calendar quarter if, during the current or preceding calendar year, the organization had one or more employees at any time in each of 20 calendar weeks or it paid wages of \$1,500 or more in any calendar quarter.

If your organization's character, method of operation, or purposes change, please let us know so we can consider the effect of the change on the organization's exempt status. Also, your organization should inform us of all changes in its name or address.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

Because your organization is not one described in section 170(c) of the Code, donors may not deduct contributions made to it. You should advise your organization's contributors to that effect.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Internal Revenue Code. If your organization is subject to this tax, it must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your organization's activities are unrelated trade or business as defined in Code section 513.
